

Hello from your fleet captain. I hope everyone is well and staying safe in these crazy times.

Here is a recap of the CYCA 1<sup>st</sup> rendezvous of the season. It was held at the Maryland Yacht Club which is situated at the entrance to Rock Creek just off of the Patapsco River. What a beautiful setting. It is always nice to frequent a fellow yacht club and who could resist the \$25 a night dockage. The weather was Hot, Hot, Hot but they have a nice pool and they did such a great job following all CDC guidelines.

Karla Kavanagh/ operations manager was wonderful. She went over and above our expectations. Also our bartender MaryAnna was so cheerful and fun along with Chef Dave.

A big Thank You goes out to Dana and Chris Morrison for putting together a wonderful rendezvous. They encountered obstacles along the way with these crazy times but as always came through with a great time.

We had 8 boats in attendance with 17 people for Friday night dinner and 10 people for Saturday night dinner.

Friday night dinner was wonderful ( the rockfish was delicious). Chris missed the brownies but we managed to find him one.

Saturday morning was our first board meeting of this year due to the pandemic. It started at 10am— this allowed us to participate in the MYC breakfast which was only \$5.00 and delicious. It was voted on to keep the rendezvous schedule as planned for the rest of the season. We will monitor the pandemic situation and change this accordingly. If you have any questions or input please don't hesitate to contact Commodore Art McClellan.

Saturday evening was nice with shrimp skewers and chicken, rice and a veggie. Oh and the cake was very good for dessert. The Maryland Yacht Club Commodore Dave Marcic and first lady Tania joined us for dinner. We presented them with our CYCA burgee and to our surprise they presented us with MYC burgee. Afterwards we gathered outside on the patio for a lovely rest of the evening.

Since this was a casual rendezvous Dana hadn't planned on a getaway breakfast, but Karla picked up donuts for us along with coffee and juice. She is WONDERFUL.

The next rendezvous will be held August 14-16 at Tolchester Marina and will be hosted by Ben and Tina Fishel . Plans are in the works and you should receive information within the next 2 weeks.

Respectfully submitted

Tina Fishel
