FLAG RAISING RENDEZVOUS AT MARYLAND YACHT CLUB FIT FOR A PRINCESS!

The Classic Yacht Club of America boating season is officially underway! A great turn out and a lot of happy faces marked this year's Flag Raising Rendezvous held at The Maryland Yacht Club. The ceremony was even attended by MYC's Commodore Jim Gorman and his bridge including two Past Commodore's and The Maryland Yacht Club Princess. We fulfilled our visiting duties and presented Princess Deedee Dolan with a CYCA charm for her bracelet. The MYC gang couldn't have done more to make our group feel right at home. MYC has invited all of us back again next year for any occasion. We welcomed two new members during Saturday night's dinner; Dick Sheffield & Margaret Gilbert. Recent new members Art & Donna McClellan won the 50/50 for \$170.00. My thanks to Fleet Captain Cheryl Holt for putting together a great event and to everyone who attended and made this a very special weekend to remember.

COMMODORE'S SCUTTLEBUTT

On Friday cruising to MYC I said to the Admiral "What a beautiful day to cruise on the Bay!" but that little voice inside my head told me that Sunday's return trip might not be all sunshine and roses. Now, I try to curb that little voice from time to time with optimistic thought but you see, that little voice is the voice of experience and I just can't remember the last time it was wrong. Fully aware that this June had set a new record for rain fall why would I think Sunday June 23rd would be a beautiful sunny day. Well, we waited it out till 11:30 thanks to a cell phone app that P/C Ochipinti

*shared with us. With this app we were able to see the rain which enabled us to drop in between two rain cells off the Patapsco and made our way north virtually untouched save for a light sprinkle south of Poole's Island. Two and one half hours after departing MYC we were securely tied in our slip. Not five minutes after pulling into our shed, we were hit with a nasty thunderstorm. Situation avoided! The app is called "Rainy Days" it's a radar based application, it is simple to use and it is free. I highly recommend it to those who have smart phones! Thanks Dave! **Commodore Chris Morrison***

Guest Incentive Program

Art & Donna started out as guests, now they've joined and won the 50/50 of \$170.00

When the guest of an active member attends a rendezvous on their own qualifying boat, the guest will attend the Saturday night dinner on the Club. The dinners for up to two guests of the same vessel will have complimentary meals at that Saturday evening event.

We encourage all members to invite friends or marina mates with classic vessels to come experience our club. CYCA is only as strong as its membership!
